

Peaslake Community Council met on the 1<sup>st</sup> February

Residents attending ask for a vote of thanks to be conveyed to Mandy Myers and all the staff at Peaslake Store for their sterling effort in keeping the shop open and stocked during the recent inclement weather.

Another vote of thanks was expressed to Martin Nicholson for helping clear the snow from the village centre.

The ice on the road between the Memorial Hall and Old School Room (29 Jan -1 Feb) which had been reported to Thames Water was then passed on to the environment agency as it was said to be spring water.

Road signs were suggested for Jesses Lane stating that the road was “unsuitable for HGV” after complaints that a large lorry had caused branches to be broken and left them to block the road.

Jane Williams still require volunteers to help the community speed watch, if you are interested in assisting please contact Jane.

Road defects (pot holes) seemed to be getting worse, if you have any near your property please report them to Surrey CC on 03456009009 and copying Shere PC on [clerk2009@ShereParishCouncil.gov.uk](mailto:clerk2009@ShereParishCouncil.gov.uk)
