

Minutes of the Meeting held on 4th January 2010.

The Chairman thank those attending for braving the weather a wish all a happy new year.

The Jean Brodie Memorial Lunch funded by the Peaslake Village Community Fund saw 47 Senior Residents this year attended this lunch prior to Christmas.

The Village Christmas Tree was in placed in the Village Centre on the 12th by David Colebrook and his team, thank you all for this community service.
And once again a thank you to Mr. & Mrs. Hulme who kindly allowed us to connect the lights to their electricity supply.

A Large thank you was recorded to Bobby Knott for arranging the evening and to all those who took part or helped behind the scenes. The start of the Christmas festivities would not be the same without the show.

The Treasurer reported that £286.56 had been banked from the money collected at the village Christmas evening. This is to go towards new lights for the Village Christmas Tree which are showing their age.

It was agreed that a waste bin should be ordered for placement near the “Jean Brodie” bench.

Christine Harrison requested that the Community Council should contribute towards the Village Fair Account by not asking for all the insurance money, this contribution would then be given to the fair beneficiaries. A decision was deferred until the cost of the bin and lights were known.

Jane Williams reported that a new training session was planed for the community speed watch, if you are interested in being trained please get in touch with Jane for details and dates. Email knowdough.peaslake@virgin.net or Tel:01306730484.

Due to an large cycling event in early December which caused traffic and parking problems in the village the Memorial hall was asked to notify residents if similar events were being organised.

Concerns were raised over the mud on the footpaths and road opposite the barns near Pursers lea, The ever growing number of pot holes (now known as road defects) in and around the village, Please help by reporting any near your property or that you notice to: Copying Shere PC Grit boxes were being depleted and not refilled.

Date of next meeting: 1 February 2010.
